## Chapter 1 by R

Hey look it's one of those weird stories where people share stuff. The theme of this one is, unsurprisingly, what's your motto?

They can be stuff like quotes that describe you,

(Mine is: Why do you write like you're running out of time? Write day and night like you're running out of time? Ev'ry day you fight, like you're running out of time. Keep on fighting, in the meantime-)

((what? i like the hamilton soundtrack and the quote fits me. . .))

they can also be sayings to live your life by,

(like, 'Be the change you want to see in the world')

or just quotes you think will win.

(Believe in yourself, you are an ancient, absent god discussed only rarely by literary scholars. So if you don't believe, no one will.)

Chapter 2 by Laura Frost

Outside of a dog, a book is a man's best friend. Inside of a dog it's too dark to read.

### Chapter 3 by Laura Frost

Red sky at night, sailor's delight. Red sky at night, the sailors are howling and laughing. The sailors begin to surround us, and the night sky is so very red. Welcome to Night Vale.

You win some, you lose some, you lie, cheat, and swindle some, you vanish on a crisp winter's day, never to be seen again.

-shitty horoscopes

**Chapter 4 by The Gerbil Overlord (Does Not Exist)- is attempting to be the world's first juggler who can type at the same time. I won't be on as often because I have school, so if you sent me a challenge, that's why I haven't answered it. (Semi-Retired But Not Really)**

Never quit. Continue. Always continue. There is always a way to succeed, you just have to find it. So search. Don't stop searching. To quote my favorite band...

"It's cold comfort  
to the ones without it  
to know how they struggled  
how they suffered about it.

But if their lives were exotic and strange,  
they would likely have gladly exchanged them  
for something a little more plain  
maybe something a little more sane."

Rush, *Mission*

Make that insane fantasy true!!!!
